and the turkey did.

They ran by a cave. They met a fox, Foxey Loxey. The fox thought "I will invite them in and have them for dinner."

Foxy Loxey said "Where are you going?"

Henny Penn cried "The sky is falling. We must tell the king. Come with us!" The fox said "I will but first rest in my cave. You must be tired." The animals were suspicious.

They all went outside the cave and the fox followed. Suddenly a nut fell out of a tree and hit the fox on the head. She cried "The sky is falling. We must tell the king. Come with me!"

But then Henny Penny said "Oh the sky is not falling. A nut fell on your head. Let's all go home."

Foxy Loxey cried "The sky is falling! The sky is falling!"

The animals all laughed at the fox.

Again. Foxy Loxey cried "The sky is falling! The sky is falling!" and she ran away to tell the king.
